## SUMMARY

Dynamic Web Developer with a Bachelor's in IT and 5+ years of experience in backend and frontend development. Skilled in **HTML, CSS, JavaScript/Typescript, NextJS, NodeJS, C#, .NET, MySQL, PostgreSQL**, and **AWS**. Proven track record with **Angular, React, RESTful APIs**, and relational databases. Collaborative team player focused on scalable web applications.

## EXPERIENCE

### Full Stack Developer

Dentca · Torrance, Ca · 02/2019 – 03/2024

- Developed, maintained, and supported core software applications, including **e-commerce** features, using **Angular, Ruby on Rails, PostgreSQL, Spreecommerce** and **AWS** serving **500,000+ users**.
- Designed and implemented **RESTful APIs** using **Open API** standards to enable seamless communication between frontend and backend systems.
- Implemented **automated testing** platforms and **unit tests**, resulting in a 30% reduction in bug-related delays and a 20% increase in overall code quality.
- Created and maintained technical **documentation**, ensuring seamless knowledge transfer and **collaboration** between team members, resulting in a 25% increase in team efficiency and productivity.
- Maintained and developed web services to **integrate payment gateways** using **authorize.net** and shipping providers, resulting in a seamless checkout process and a 25% increase in customer satisfaction.
- Designed and implemented a **CI/CD pipeline** using **gitlab**, improving the quality and consistency of software releases by 55%.
- Maintained, monitored and resolved **AWS ec2** instances and **S3 Storage**, resulting in 15% increase in uptime and improved reliability for the web applications.

### Jr. Frontend Web Developer

Chingu · Irvine, Ca · 08/2017 – 09/2018

- Translated UI/UX design wireframes into high-quality, reusable components, improving user engagement by 25%.
- Revamped the user interface using React, increasing user satisfaction by 30%.
- Collaborated with back-end developers and designers to integrate web services and/or third-party APIs to design and develop mobile-friendly, responsive websites.
- Built and tested application functionality to ensure a desirable user experience across all platforms.

## EDUCATION
